# TRAINING FOR THE POOR.

### Col. Parker Discusses Poverty at Mt. Vernon Place Church.

In his illustrated lecture last night at the Mount Vernon Place Methodist Episcopal Church South on "Problems of the Poor," Lieut. Col. Parker of the Salvation Army said the answer may be found in systematic education.

Col. Parker described conditions in the slums of New York and advocated a course of training and teaching to show the poor how to live. Col. Parker said there are more than 13,000 bed-rooms in New York's slums without windows, and the children grew up un-der extremely adverse conditions. That the Salvation Army is doing everything possible to relieve conditions in the poor districts was the statement of Col. Parker.
